ADOPTION APPLICATION

You must be at least 21 years of age to adopt a cat. Please fill out this application completely and accurately. Its purpose is to help us to make the best placement possible. The adoption process may take an hour or more, as you will be talking with adoption counselors, meeting selected cats, reviewing the responsibilities of pet ownership and the terms of the adoption agreement.

Many factors determine which applicant will be matched with a particular cat. If you are not able to adopt a pet today, it does not mean that you are not considered a good pet owner or that your home is not acceptable. Our goal is to place all cats into homes that will best suit their individual needs. Please ask for clarification if you have any questions.
